I. Statement of Reasons for Allowance:

The following is an examiner's statement of reasons for allowance:

Regarding claim 4, the prior art cited herein fails to disclose a tamper indicating kit for use with a smoke detector having a base plate for mounting to a wall or ceiling surface and the smoke detector also including an openable cover connected to the base plate, the tamper indicating kit including a thin planar adapter flange including a horizontal top section adapted to be sandwiched between the base plate and the mounting surface, a side section extending vertically downwardly from a distal end of the top section, a horizontal relief section extending horizontally inwardly from a distal end of the side section, and a vertical section extending vertically downwardly from a distal end of the horizontal relief section, the vertical section adapted to extend parallel and adjacent to a portion of a cover outer wall, a means for securing at least a portion of the side section to the cover such that opening the cover produces an irreversible indication of opening or tampering.

Regarding claim 5, the prior art cited herein fails to disclose a tamper indicating kit for use with a smoke detector having a base plate for mounting to a wall or ceiling surface and the smoke detector also including an openable cover connected to the base plate, the tamper indicating kit including a thin planar adapter flange including a horizontal top section adapted to be sandwiched between the base plate and the mounting surface, a side section extending vertically downwardly from a distal end of the top section, a horizontal relief section extending horizontally inwardly from a distal end of the side section, and a flexible leg extending angularly downwardly from a distal

end of the horizontal relief section, the flexible leg adapted to flex from an unmounted position to a mounted position adjacent to a cover outer wall, and a means for securing at least a portion of the side section to the cover such that opening the cover produces an irreversible indication of opening or tampering.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

II. Examiner's Amendment:

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CAR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
